

Rider Skills Assessment

QUINN-direct have introduced a rider skills assessment which could save you money on your motorcycle insurance as well as improve your rider skills. Generous discounts are given and vary by the level you achieve in your assessment.

The QUINN-direct rider skills initiative is not a test but is an assessment of the different skills required to ride a motorcycle safely. Training is not compulsory but it is strongly recommended and is likely to help you achieve a better level in your assessment.

The QUINN-direct Rider Skills Assessment can be completed by any of the motorcycle instructors listed below.
